Debbie informed the group that Dr. Elliot would not be at the meeting today. He is having vision complications but will be back in the office tomorrow.

Core curriculum courses – enhanced with technology. Proposals (five pages maximum) are due to Kim Dooley by either the 2nd or 12th of December. Tracy will verify the date. Focus is on undergraduate courses based on innovation in technology to enhance the courses. Dollars are available. Courses may be taught at a distance. Each college will be allowed three proposals. Could utilize existing courses:
