- Productivity/Excellence (or irrelevance?)
Productivity as it relates to journal articles, external funding and grant submission
Excellence – its impact and how excellence is defined.
Tobin is working on metrics to define productivity
What is our definition of productive and excellence?

 - Program Area Discussion (Rutherford)
Need to have a meeting with all four undergraduate majors on one day – possibly one that starts as one large group and then breaks out into smaller groups.
- Existing Curriculum Committee: Gary Briers, Summer Odom, Theresa Murphrey, and Deb Dunsford. April Place was on the committee.
- We need to know when each committee is meeting. Reports should be generated and shared in the form of minutes.
- Current groups are: Agricultural Leadership, Agricultural Science, Agricultural Communications, International, and Technology Enhanced Instruction.
