Student UIN: Dept/Major:	Committee Role: Chair/Co-Chair Member: Inside or Outside _			
This section should be completed for ALL students:				
How well does the student meet your expectations in the following areas? (Note: Expectations should represent a common level of proficiency demanded of all students in this program)	Above Expectations	Meets Expectations	Below Expectations	Not Observable
Exhibits a coherent understanding of discipline-specific knowledge	?			
Applies discipline-specific knowledge in a range of contexts to solve problems, make and justify decisions	?			
Uses a variety of sources and evaluates multiple points of view to analyze and integrate information	?			
Communicates effectively	?			
Teaches or explains the subject matter in their discipline to a broad range of audiences	?			
Exhibits proficiency in technology appropriate to solve problems in their discipline	?			
7 Chooses ethical courses of action in research and practice	?			
This additional section should be completed for M.S. (Thesis Option) & Doctoral Students only:				
How well does the student meet your expectations in the following areas? (Note: Expectations should represent a common level of proficiency demanded of all students in this program)	Above Expectations	Meets Expectations	Below Expectations	Not Observable
Develops clear, hypothesis-driven research plans?	?			
Conducts valid, data-supported and theoretically consistent research	[?]			
Conducts valid, data-supported and theoretically consistent research Effectively disseminates research results in appropriate contexts				
Effectively disseminates research results in appropriate contexts				
Effectively disseminates research results in appropriate contexts				
Effectively disseminates research results in appropriate contexts	?		Yes	No
Effectively disseminates research results in appropriate contexts: Additional Comments (optional):	?		Yes	No
