## Basic Horse Management 101—On The Road

The Texas AgriLIFE Extension Service, Basic Horse Management 101 model program has been on the road in the Spring of 2010. Dr. Brett Scott is the primary instructor at these very successful programs. Agents have involved numerous local and regional experts in their programs and have had a tremendous response to the program.

Several of the programs have included a trade show, which has allowed local merchants to have involvement in the programs. Additionally, local farriers, veterinarians, feed industry personnel and Texas AgriLIFE Extension Service specialists have been involved in the programs.

The programs have included the following topics: Basic Safety, Pasture and Hay Selection, Basic Horse Nutrition, Facility Design, Health Care, Equine Dentistry, Body Condition Score and Weight Estimation, Permanent Identification and Hoof Care.

Some counties have chosen to include selected topics that are covered in the Basic Horse Management agenda in their multi-species programs. These types of programs work very well. On average these programs attract 30-50 attendees.

If you are interested in hosting a Basic Horse Management 101 program, please contact Dr. Scott, bdscott@ag.tamu.edu.

## Equine Interstate Travel

If you are planning a trip out of state with your horse, there are some things that you need to consider before traveling. For most states, horses being transported into or through the state must have a current negative Coggins test, within the last twelve (12) months and a certificate of veterinary inspection (CVI), also known as a health certificate. Most states will recognize a valid CVI for up to 30 days. The CVI shall state the location of origination and final destination for the horses. In addition, the CVI should include the Coggins test results, test date, lab name and accession number. In many

cases, if you are transporting foals that are less than six months of age if they are accompanied by the negative tested dam, they are exempt from test requirements.

Every state has different requirements for inter-state horse transport. When transporting horses to other states you should check with the office of the state veterinarian in the state of your destination to ensure you are appropriately prepared. Additionally, you should check with the state veterinarians office or their website frequently as requirements can change based on

disease outbreaks or changes in status.

Several states have imposed import restrictions on horses from Texas as a result of the most recent developments regarding Equine Piroplasmiasis. At least 12 states have placed restrictions on horses from Texas entering those states. These states vary greatly in what they require for entry. Horse owners who are hauling horses from Texas should contact their local veterinarian for specific requirements for entering other states well in advance of their time of departure.

## Horse Vaccine Recall Announced

May 5, 2010—Intervet Schering-Plough has announced an urgent recall of its PreveNile West Nile Virus vaccine for horses, the American Veterinary Medical Association reports. The recall is due to an increased number of adverse event reports associated with the use of these vaccines, available in one-dose and five-dose phials. The nature of the adverse reactions has not been described at this stage.

According to a letter distributed by the manufacturer, the United States Department of Agriculture has been alerted of the recall. Veterinarians with any of the serial numbers listed below in stock should contact their distributor to arrange for the product's return. The serial numbers are: PreveNile One-Dose 91669001, 91669002, 91669005, 91669006, 91669007, 91669012, 91669013, 91669014, 91669015,

91669016, 91660001, 91660002, PreveNile Five-Dose 91669003, 91669004, 91669008, 91669009, 91669010, 91669011, 91660003, 91660004

Please contact your local veterinarian if you have any questions.

Source: <http://www.horsetalk.co.nz/news/2010/05/034.shtml>

This packet was developed and sent to all 12 District Extension Offices in April. It includes guidelines for conducting a successful District 4-H Horse Show with information on a class-by-class basis. Many CEAs serve on District 4-H Horse Show Management Teams, and it is hoped that this information is helpful for running those classes at the shows.

The packet also includes information on the **48<sup>th</sup> Texas State 4-H Horse Show**, including a Contestant's Letter and the entry information. All entries must be processed through the District

offices prior to being sent to the Horse Specialists' offices. It is very important for all State 4-H Horse Show exhibitors to receive a Contestant's Letter prior to departing for Abilene, Texas, for the State Show. Contact your District Extension office relative to these materials. Contact the Horse Specialists, Brett Scott or Dennis Sigler (979)-845-1562 or Program Specialist, Teri Antilley, if you have any questions about the 48<sup>th</sup> Texas State 4-H Horse Show. The show is July 24-July 31 at the Taylor County Expo Center in Abilene. To be eligible for the Qualifying Division, 4-Hers must

show at the District show. For the Open Division, 4-Hers do not have to qualify but must be bona fide 4-H members with horses certified through the County Extension office on or before May 1.

The 2010 Texas 4-H Horse Show Rules and Regulations, which apply to all District Shows and the State 4-H Horse Show, can be found online at

<http://animalscience.tamu.edu> or on the 4-H website. The schedule of events for the State Show is on the web and is also available from your District office.

### Qualifying for State via District 4-H Horse Shows

For many years, 4-Hers have had to enter Qualifying classes and earn one or more points, in order to show in the qualifying category at the State 4-H Horse Show. The 2010 District shows will all offer a more balanced set of Qualifying classes, and a 4-Her must simply **show in at least one class within a division, in order to qualify for all the classes in that division** at the State 4-H Horse Show. **They do not have to earn one or more points.**

For well over 40 years, a 4-Her could only show one horse at the District show in the Qualifying Division. However, numerous horses could be shown in the Open category. 4-Hers may show **one horse in each Division** at District Horse Shows, or the same horse in all divisions, provided any/all horse(s) were validated as projects by May 1.

While most 4-Hers will continue to show only one horse, often in two or three divisions,

these changes now allow a 4-Her to show a separate horse in halter, in western judged, in hunter-flat and in speed events. They can **only show one horse in each Qualifying Division**. Since the futurity classes involve yearlings, two-year-olds or three-year-old horses, each futurity class is listed as a division, in order to make it simpler for District 4-H Horse Show Management Teams to track.

The 4-H Futurity Program has been in existence for many years. Again for 2010, all District 4-H

Horse Shows will offer the 5 futurity classes, and a 4-Her MUST show their Futurity Project at

District, in order to enter State in the Futurity Division.

## District Horse Shows to Offer 22 Classes in Qualifying Division

Each District will offer the following 22 classes in Divisions that make up the Qualifying Category at all 2010 shows. A 4-Her must show in at least one class in each Division, in order to 'qualify' for all the classes in that division at the State 4-H Horse Show. A futurity project horse must be shown at District, in order to Qualify for a futurity class at the State Show.

**Halter Division** (1 horse per 4-Her) Registered Four-Year-old & Younger Geldings, Registered Five-Year-old & Older Geldings, Grade Geldings, Grand & Reserve Champion Gelding, Registered Four-Year-old & Younger Mares, Registered Five-Yr-Old & Older Mares, Grade Halter Mares and Grand & Reserve Champion Mare. These halter classes have always been held at all District Shows. The only change regarding halter classes is that they are now in a Division, and a 4-Her

may show a halter horse only. In other words, it does not have to be the same horse that is shown in a performance class, but it could be the same horse.

**Judged Western Division** (1 horse per 4-Her) - Showmanship, Western Pleasure, Western Horsemanship, Western Riding, and Trail. These classes did not change other than Trail will be held at all 12 District 4-H Horse Shows.

**Speed Events Division** (1 horse per 4-Her) - Barrels, Poles and Stakes. Same 3 speed classes as in past years. Only change is that a 4-Her who shows a horse in some other division can also show a speed horse.

**Hunter-Flat Division** (1 horse per 4-Her) - Hunter Showmanship, Hunter Under Saddle and Hunt Seat Equitation. Many District Shows already offer these Hunter-Flat classes. All Districts agreed to add them. In many

cases it will be the same horse shown in western, but doesn't have to be.

**Yearling Halter Gelding Futurity Division** (1 horse per 4-Her)

**Yearling Halter Filly Futurity Division** (1 horse per 4-Her)

**Yearling Longe Line Futurity Division** (1 horse per 4-Her)

**2-Year-Old Futurity Division** (1 horse per 4-Her)

**3-Year-Old Futurity Division** (1 horse per 4-Her)

All futurity project horses must be shown at District to be eligible for State.

All CEA offices should have an electronic copy of the rule book. These rules apply to all District shows and the State Show and are used, with only minor exceptions, in all County Shows. Unfortunately, many 4-H'ers and 4-H families fail to real-

ize that these rules exist, or that revisions are made annually. So please inform your 4-H'ers about the rule book. Changes or revisions are in red to make them easier to locate, and some of the more important rules are in bold type. Please distribute to 4-H

horse project families headed to District and State. It is also available electronically at

<http://animalscience.tamu.edu/academics/equine/state-4h-show/index.htm>

### 48th State 4-H Horse Show

Attached is a revised schedule of classes for the State Show, being held July 24-July 31 in Abilene. Some changes have been made from previous years, and 4-H'ers should look closely at days and times for various classes. No late entries will be accepted, and the deadline for entries is July 1st. Those 4-H'ers who don't attend District and don't make their State entries in the open divisions, will need to be sure

and make Open Division(s) entries on an official entry form. Those forms must be sent to the District office first. They will then be forwarded on to the state Horse Specialists' office. CEA's, contact your District office now to get copies of the State 4-H Horse Show entry form, contestant's letter and other information. Each district office received a revised entry form and contestant's letter in March. The **Horse**

**Show Contestant's Letter contains valuable information for 4-H families as they prepare for and attend the State 4-H Horse Show.** In accordance with Texas Animal Health Commission regulations, all horses entering the Taylor County Expo grounds in Abilene must be accompanied by proof of negative EIA status. The EIA documentation papers are good for 12 months from the date of issue.

## State Calf Roping and Break-A-Way School—June 20-24

Young ropers from across the state should start limbering up their strings for the 37<sup>th</sup> annual Texas 4-H Calf Roping and Break-A-Way School scheduled for June 21-25 at the Tarleton State University Equine Arena in Stephenville. This statewide event is open to boys and girls 12 and

older. Applications will be accepted on a first-come, first-served basis. Participants should arrive before 2 p.m. June 20 and finish by noon June 24. The registration fee includes group insurance, meals, lodging, stall rent for one horse and practice calves. All students will be

housed in the Tarleton State University dormitories. A deposit will reserve a place. For more information, contact the AgriLife Extension office in Brown County at 325-646-0386. Applications are available on the Brown County Web page at <http://brown-tx.tamu.edu/>

## Annual 4-H Team Roping School—June 23-26

The 4-H Roping School Committee and the Texas AgriLIFE Extension Service - Hockley County are sponsoring the Annual 4-H Team Roping School at South Plains College in Levelland.

This school will be directed at the development of roping and horsemanship skills of youngsters 12 years old to 18 years (as of August 31, 2009). **Participation is open to all districts of the**

**state.** The school will be held June 23-26. For more information, please contact CEA Chris Edens—806.894.3159.

## Horse Judging Camps for Youth—June 2-4 & June 16-18

Texas A&M is hosting two horse judging camps this summer on June 2-4 & June 16-18, 2010. These camps are for youth 12-18 years of age. Instruction on halter classes, performance

classes and oral reason presentation is available. For more information, contact Dr. Clay Cavinder at [cac@tamu.edu](mailto:cac@tamu.edu), or access the material on line at <http://animalscience.tamu.edu/>

[workshops/youth-workshops/tamu-horse-judging-camp.htm](http://workshops/youth-workshops/tamu-horse-judging-camp.htm)

### State 4-H Round Up Support

We would like to thank the following sponsors for their generous support of the 4-H horse program at the State 4-H Roundup.

**Purina Mills, Inc., Texas Quarter Horse Association, The Texas Thoroughbred Association, Brazos County Extension Horse Committee, The McCoy Family, and the Texas Youth Equestrian Foundation.**

### State 4-H Horse Show Support—Education and Awards Enhancement

**Cargill Animal Nutrition**, known throughout Texas for the major brand names ACCO and Nutrena, made a generous commitment to the Texas State 4-H Horse Show. A combined effort by the Cargill Foundation and the South Texas and Southwest Districts, has resulted in a continuation of expanded recognition for 4-Hers. Some of this support is easily recognized by nicer buck-

les in both the open and qualifying divisions of the show and in the qualifying division, where exhibitors are recognized for earning a trip to state based on District participation and qualification procedures. Buckles recognize from 1<sup>st</sup> up through 10<sup>th</sup> place, depending on class size. Classes with 100 or more entries, based on the previous three year rolling average for class partici-

pation, have Top 10 buckles. These and other opportunities for 4-H recognition, as well as planned educational resources for 4-H families, are made possible due to this sizable sponsorship. The Texas 4-H Horse Program expresses sincere thanks to Cargill Animal Nutrition for their support of the Texas State 4-H Horse Show in 2010 through 2011.

### Tony Lama Boot Company

Tona Lama Boot Company, via efforts of Kelly Riley in Fort Worth, has donated gift certificates for a pair of boots to be awarded to the 1<sup>st</sup> place winners of each of the cattle and speed classes. These classes include:

tie down roping, breakaway roping, team roping, team penning, working cowhorse, cutting, pole bending, barrel racing, stake race, champion roper, and champion stock horseman. The winners get the opportunity to

choose from the styles and sizes offered in the sponsorship and mail the certificate to Tony Lama Boot Company. The winners will receive their boots in the mail from the company. **THANK YOU TONY LAMA BOOT COMPANY.**

## Additional State Horse Show Support

**Wrangler**, via efforts of Bill Taylor in Abilene, has again put together \$ 4,725 in scholarships for 4-H'ers in various categories for the Texas State 4-H Horse Show. Details will be available at the State Horse Show during registration. Wrangler's support of the Texas 4-H Horse Program is certainly appreciated.

**Individual Class Buckle Sponsors**, A buckle sponsorship form

can be found on the following page. The following individuals have already sponsored buckles for the 2010 State 4-H Horse Show: Kenny and Jennifer Dickerson, Western Pleasure Champion; Peg Smith, Champion Grade Gelding, Pat and Jessie Schneider, Reserve Champion Working Cow Horse; Kenneth and Bonnie King, Champion Barrel Racing and Pole Bending;

Frontier Trophy Buckles Ten Buckles; The Hickerson Family, Champion—Working Cow Horse; The Young Family, Champion—3-Yr-Old Stock Horse; Tarrant County Equine & Livestock Committee, Two-Year-Old Futurity & Three-Year-Old Futurity; Fayette 4-H Horse Project Club; Jay Hardy Photography, Champion—Western Horsemanship, Laura Cannon, Champion—Trail.

## Futurity Video Examples Now Available

The 2-Year-Old and 3-Year-Old Futurity classes have changed format for 2010. Example videos of how the classes will be run are now available on the Equine Sci-

ence website. Just click on State 4-H Horse Show (on the right side of the page), and then scroll to the bottom of the page. There will be a separate link for

each one.

<http://animalscience.tamu.edu/academics/equine/index.htm>

## Texas State Cutting School—Stephenville

Ten Texas 4-H members attended a 2-Day Cutting School held at the Tarleton State University Horse Center Arena on February 20<sup>th</sup> and 21<sup>st</sup>. Young people were instructed by Jim Calhoun, Fort Worth, Dr. Dennis Sigler, State Extension Horse Specialist and Dr. Don Henneke, Horse Program Leader, Tarleton State University. The school was put on by AgriLife Extension and the Erath County Horse Committee. Emphasis of the clinic was

on herd work and instruction on effectively selecting cows and getting them cut cleanly in the middle of the pen. Students got plenty of live cattle work, flag work and individual and group instruction. There was a classroom session on cutting rules and judging and the students even got to act as judges for live runs by some of the finished cutting horses, ridden by other students and instructors. Saturday evening, there was a great BBQ

sponsored by Taylor Feed Store and Martindale Feed Mill. Sunday morning, bright and early, there was an inspiring Cowboy Church Service, followed by more instruction until lunch. After lunch, all contestants got to show in an actual cutting contest which was judged by NCHA judge, Jim Calhoun. Plans are for this activity to once again become an annual event.

# 2010 State 4-H Horse Buckle Sponsorship Form

You now have the opportunity to sponsor a buckle at the Texas State 4-H Horse Show. The cost of the buckle sponsorship is \$ 200.00 per buckle. Buckle Sponsors will be recognized in the Souvenir Program and Working Order Book that is distributed at the State 4-H Horse Show.

Name: \_\_\_\_\_

In Memory of (Name): \_\_\_\_\_

In Honor of (Name): \_\_\_\_\_

Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

Please indicate which class(es) that you are interested in sponsoring. Remember that multiple buckles are awarded in each class.

## 38<sup>th</sup> Texas AgriLife Extension Summer Horsemanship Schools

There are 27 schools scheduled in 27 different counties this summer as the program marks its 38<sup>th</sup> consecutive year of in-

depth, hands-on schools for 4-H'ers, volunteer leaders and parents. A very talented group of horse program assistants have

been identified to teach these schools this summer.

**2010 State 4-H Hippology Contest & 4-H Horse Leader Workshop**

**Saturday—August 28th, 2010**

Scurry Rosser High School  
8 miles south of Kaufman on  
Hwy 34

**Contest**

Check In: 8:00—8:30 a.m.  
Contest will begin at 9:00 a.m.

**Entry Fees**

\$ 60.00 per team  
\$ 20.00 per individual  
Deadline August 13<sup>th</sup>, 2010

**Late Registration Fee**

\$ 5.00 per Team or Individual

Registration Covers Lunch and Awards  
Lunche will be available for \$ 5.00 per person for persons not participating in the Hippology Contest.

**Contest Order:**

Judging, Slide Show Test, Written Examination, Stations Examination and Team Problem.  
The Stations Examination and Team Problem will run concurrently.

**Horse Leader Workshop:**

During the Saturday Session of the contest, adult leaders and coaches may participate in the 4-H Horse Leader Training. This year new and fun hands-on activities will allow your to take information back to your local 4-H Programs.

**Accommodations Available at the following Establishments**

Kaufman—Best Western La Hacienda Inn—972.962.6272

More in Ennis (27 miles west of Scurry) and Terrell (21 miles north of Scurry)

For More Information Contact

Dr. Brett Scott, 979.845.1562 or Carrie Sharp, 972.932.9069

## 2010 Hippology Contest & 4-H Horse Leader Workshop

The State Hippology Contest will be held on August 28<sup>th</sup>, 2010 at Scurry Rosser High School 8 miles south of Kaufman on Hwy 34.

The winning Senior 4-H team qualifies to represent Texas 4-H at the National Western 4-H Roundup that is held in Denver, CO in early January.

The contest will begin with check in at 8:00 a.m. and will conclude late that afternoon. You will find an entry form attached to this newsletter. Once you have submitted your entry, you will receive a conformation letter/email with more details about the location. If you have any questions about this activity, please contact Dr. Brett Scott, 979.845.1562, CEA's Carrie Sharp 972.932.9069 or Tommy Phillips 903.567.4149.

Hippology is an indoor activity where 4-H members can make learning fun by exhibiting their horse knowledge. This contest will contain.....

1. I. D. Station - where youth will visit 10 stations to identify or answer questions presented to them. This is an educational

activity of five or more subject areas. Each area is called a Station. Each station is numbered and represents a particular subject. Examples: 1 - Parts of the Horse, 2 - Breeds of Horses, 3 - Leg and Face Markings, 4 - Styles of Riding, 5 - Nutrition, etc. Each station has equal number of items to identify or an equal number of questions to answer. Any number of stations may be used.

2. Written Examination - If you can do Quiz Bowl, then you can do the Test! There will be a junior level test and a senior level test.

3. Slide Show Test (picture test) - ID what you see!

4. Two Judging Classes

5. Team Questions - the team will work together to solve a "problem". Individuals will not have to answer team questions.

### CONTEST RULES

1. The contest will be divided into Junior and Senior divisions. Junior members may not have reached their **14th birthday as of August 31<sup>st</sup>, 2010**. All Senior members must have reached

their **14th birthdays as of August 31<sup>st</sup>, 2010**. **You are in the new 4-H year for this contest!!!!**

2. Each county is eligible to enter any number of junior individuals, junior teams, senior individuals, and senior teams. All participants in the contest will be eligible for individual awards or recognition.

3. A team consists of three or four members. On teams in which there are four members, all will compete, but the member receiving the lowest overall score will be automatically declared the alternate. The scores of the alternate will not be included in any of the team totals but will be considered in making all individual awards. Teams consisting of three members will have no alternate and all members' scores will count in determining individual and team awards. Team members must be from the same county 4-H program.

### REFERENCES

The hippology contest uses the same references as the Texas 4-H Horse Quiz Bowl contest.

## 2010 State 4-H Hippology Contest Rules

### OBJECTIVES

1. To provide, in friendly but competitive setting, an opportunity for youth currently enrolled in the 4-H.

2. To provide youths with the opportunity to blend knowledge and skills acquired in horse judging bowl, demonstrations, public speaking, and showing into one activity.

3. To encourage youth to continue expanding their horse knowledge and participation.

4. To recognize youth for their comprehension of knowledge of the horse industry.

5. To teach good sportsmanship through a friendly and competitive environment.

### CONTEST RULES

1. The contest will be divided into Junior and Senior divisions. Junior members may not have reached their 14th birthday as of August 31<sup>st</sup>, 2010. All Senior members must have reached their 14th birthdays as of August 31<sup>st</sup>, 2010. You are in the new 4-H year for this contest!!!!

2. Each county is eligible to

enter any number of junior individuals, junior teams, senior individuals, and senior teams. All participants in the contest will be eligible for individual awards or recognition.

3. A team consists of three or four members. On teams in which there are four members, all will compete, but the member receiving the lowest overall score will be automatically declared the alternate. The scores of the alternate will not be included in any of the team totals but will be considered in making all individual awards. Teams consisting of three members will have no alternate and all members' scores will count in determining individual and team awards. Team members must be from the same county 4-H program.

4. This contest will contain.....

1. I. D. Station (50 points) - where youth will visit 5 stations to identify or answer questions presented to them. This is an educational activity of five or more subject areas. Each area is called a Station. Each station is numbered and represents a particular subject. (Example but not

limited to: #1 - Parts of the Horse, #2 - Breeds of Horses, #3 - Leg and Face Markings, #4 - Styles of Riding, #5 - Nutrition, etc. Each station has equal number of items to identify or an equal number of questions to answer. Any number of stations may be used.

2. Short Fill in the Blank Test (50 points) - If you can do Quiz Bowl then you can do the Test!

3. Slide Show Test (picture test) (50 points) - ID what you see! Short fill in the blank.

4. One Judging Class (50 points).

5. One Team Question (50 points) - the team will work together to solve a "problem".

Total points for Teams to earn is 650 points. Individual contestants will not participate in the Team questions for a total point value of 200 points.
