This year's camps are designed for 4-H and FFA members interested in building their knowledge of evaluating market and breeding animals, including beef, swine, sheep, and goats. This camp focuses on selection principles, oral reasons, live market evaluation, and breeding animal performance data. Any 4-H and FFA members are welcome to attend. Instructors include Texas A&M faculty and staff, and members of the 2021 TAMU Livestock Judging Team, named champion overall team at both Cattlemen's Congress and the Houston Livestock Show and Rodeo™.
