

2023

Southwest BEEF Symposium

February 8-9, 2023

Overton Hotel & Conference Center

2322 Mac Davis Ln,

Lubbock, TX 79401

An Educational Forum Tailored for Beef producers in the Southwest

Hosted jointly by the New Mexico State University Cooperative Extension Service and Texas A&M AgriLife Extension Service, this educational forum is tailored for beef producers and was established to provide timely information annually, about current industry issues and practical management. The event is held in January of each year and alternates between locations in New Mexico and Texas.

The Southwest Beef Symposium has been a long-standing educational program hosted in collaboration between NMSU Cooperative Extension and Texas AgriLife. This two-day program provides producers an opportunity to get caught up on the latest issues and innovations that can help them better navigate the ever-changing beef industry, while keeping them up to date on information that can help them with their day to day management of their operations.
