

Ecology and Evolutionary Biology PhD Program

Report of the Preliminary Examination

The undersigned duly appointed examining committee has conducted the preliminary examination of _____ UIN _____. We have examined the candidate for a mastery of their four selected topic themes and for an adequate knowledge of the literature in these fields.

Record of Vote for Pass or Failure: (*Votes are to be tallied, e.g., 3 pass; 1 no pass. A positive vote by at least three members of the exam committee is required to pass.*)

_____ Number of Pass Votes _____ Number of No Pass Votes

If the exam was not passed: The committee, with no more than one member dissenting, (**does or does not – choose one**) recommends that this student be given one re-examination, when adequate time (three months and no more than six months from the date of their first try) has been given for the student to address the inadequacies emerging from the original examination. The examination committee will document and communicate the time-frame and feedback within 10 working days following the failed exam.
