Poaching: A National Security Issue

Presentation 4pm

The transnational issue of wildlife crimes and the fight against poaching are the topics of a presentation by two wildlife justice specialists. Presenters will be **Tina Lain**, a Senior Expert on Environmental Justice with the Stichting International Union for the Conservation of Nature Netherlands Comité, and **Dr. Andrew Lemieux**, Researcher for the Netherlands Institute for the Study of Crime and Law Enforcement. Q&A session moderated by **Dr. Leslie Ruyle**, Assistant Director of the Scowcroft Institute at Texas A&M.

Meet the Warriors

Reception 5pm

Attend a reception where you can enjoy light refreshments and interact with presenters and representatives of local organizations, who will have information on how you can get involved in this important issue.

The Last Animals

Film Screening 6-8pm

Experience the 6-time award-winning documentary directed by **Kate Brooks**, which explores the battle against illegal wildlife trade. The film will be followed by a Q&A session with the speakers from the earlier presentation.
